

2008 EMTM ALUMNI REUNION

Thursday, July 17 from 6.30 to 10.00pm

GUEST SPEAKER

Mr. Prakash Rao

**Former Partner
Accenture**

The reunion will take place in the foyer of the Babbio Center with its spectacular view of the Manhattan skyline. The evening will provide a wonderful opportunity to reconnect with your fellow alumni. I hope you will touch base with your fellow Capstone team members and come along for what promises to be a very enjoyable evening.

The theme for the evening is **“What You Have to Do in Order to Advance Your Career”**

The guest speaker is Mr. Prakash Rao, former Partner from Accenture, a global management consulting, technology services and outsourcing company, with more than 175,000 employees in 49 countries delivering a wide range of specialized capabilities and solutions to clients across all industries. In his concluding role at Accenture, Mr. Rao was the Executive Director of Service Architecture and Development for Accenture’s Managed Reference Data Service (MRDS), a pioneering shared service for the industry. Most recently, Mr. Rao was a Senior Director at FXall, where he directed the launch of Accelor, a high performance anonymous trading platform.

Guests are welcome and I would especially encourage you to bring along any of your colleagues who might be interested in the EMTM program. The Alumni Scholarship program will be available to students from alumni companies applying to the Fall 2008 semester.

It is very important that you RSVP to Leslie Buehler at lbuehler@stevens.edu or call her at 201-216-8572 if you plan to attend and let her know how many people to expect. Hope to see you at the reunion!

Sincerely,

Murrae Bowden
Director EMTM/EMBA program.
