THE BABBIO CENTER

Named Gift Form for Concrete Pavers

A named gift to the Babbio Center is a wonderful way to commemorate a significant occasion, group or individual. Precast concrete pavers are laid out in a donors' circle and serve as a focal point for the plaza surrounding the Babbio Center. This monumental location is on the west plaza, extending to the north side (Sixth Street) of the building.

Each 24"x24" paver can have up to four lines of text, straight across with up to 30 characters per line (including blanks, symbols, periods, commas, etc.) and will be center justified and filled. You can elect to highlight characters in the first or second line (i.e. last name). Highlighted characters will be 1" in size and therefore appear bigger than characters in the remaining three lines which will be ¾" in size. Please underline any boxes that should contain highlighted characters.
